

### REMARKS

The specification has been amended to insert a cross reference to the International application.

Inadvertent errors have also been corrected on pages 1-3 and 15-16, such changes being essentially self-explanatory.

Claim 5 has been amended to depend only from claim 1, to avoid the multiple dependent claim fee, as a result of which new claims 34-36 have been added to the application.

Attached hereto is a marked-up version of the changes made to the specification and claim 5 by the current amendment. The attached page is captioned "Version with markings to show changes made."

Respectfully submitted,

Masakazu KAWASAKI et al.
